Exhibits and Support Opportunities

FIVE DAYS. THOUSANDS OF DECISION MAKERS. ALL FOCUSED ON EPILEPSY.
SHOW SUPPORT. BUILD AWARENESS. MAKE CONTACTS.

The American Epilepsy Society (AES) Annual Meeting brings thousands of epilepsy professionals together, all in one place. It’s your biggest opportunity each year to put your brand in front of a highly qualified and targeted audience.

- Showcase your brand, product, and services
- Interact with clinicians, researchers, and scientists
- Connect with your existing customers
- Generate valuable sales leads
- Network with leaders in epilepsy medicine and science

Reserve your Exhibit Booth, but don’t stop there. Check out all these additional opportunities for introducing and promoting your brand throughout the five-day event.

Maximize Your Impact. YOUR BOOTH AND BEYOND

OPPORTUNITIES AT A GLANCE

EXHIBIT BOOTH
The platform for everything you do at the AES Annual Meeting, various sizes are still available. The Exhibit Hall is on track to sell out again this year.

INNOVATION PAVILIONS
Available to exhibitors only, get extra space to engage attendees in creative new ways and provide interactive education in a convenient and intimate environment.

OFFICE RENTALS
Office rentals in the Exhibit Hall are available for private meetings beyond the hours when the exhibits are open.

SPONSORSHIPS
Attach your brand to the frequently visited coat check, strategically-located hand sanitizers, cell phone charging stations, and coffee breaks — or one of many other sponsorship opportunities.

BOOTH TRAFFIC PROMOTIONS
Passport to Prizes: a show favorite for attracting traffic to your booth! Effective tool for generating booth visits. Limited to 20 participating companies.

ANNUAL MEETING ADVERTISING
Get your message in front of AES members in multiple ways while in Washington, D.C. — from the airport to the 100 square foot media wall to sleeping room door drops to the Program Book that every attendee receives. And much more!

YEAR-ROUND ADVERTISING
Advertise in Epilepsy Currents: augment your presence at the AES Annual Meeting by reaching your target audience year-round.

SATELLITE CME SYMPOSIA
AES allows select CME-accredited satellite symposia by application only. Content may not duplicate any aspect of the educational program at the 2018 AES Annual Meeting.

SCIENTIFIC EXHIBITS
Separate from commercial exhibits, Scientific Exhibits are staffed exclusively by scientists and investigators. Share information about the current state of your research.

EDUCATION SUPPORT
Select from three different types of support: accredited medical education (e.g., CME grants for symposia), non accredited education (e.g., lectures, investigator workshops, and special interest groups), and professional development (e.g., AES Fellows Program and Young Investigator awards).

EQUIPMENT AUCTION
Focus the attention of the epilepsy professionals squarely on your company’s equipment by donating it for auction — and support AES at the same time. Capital goods only.

EPILEPSY RESOURCE AREA
(Nonprofit Organizations Only)
AES provides a dedicated area with 6’ tables for organizations involved in advocacy, patient outreach, patient services, and research funding.

“NeuroPace has exhibited at AES for many years. It is the marquee industry event for us. The conference attracts all of our top physicians as well as those we’d like to educate on the RNS System and provides us with the opportunity to interact with them in a variety of ways.”

ANNETTE WEFERS, NEUROPACE
Gain Extra Recognition. REACH A NEW LEVEL AT AES

GET EXTRA RECOGNITION AT THE AES MEETING AND THROUGHOUT THE ENTIRE YEAR

Shape a package of opportunities that fits your outreach needs. Add up your company’s total amount of qualifying expenditures, and get recognition for your support at the appropriate leadership level, including an award presentation with AES Leadership on Saturday in the Exhibit hall. Thanks in part to the generosity of commercial and nonprofit supporters, AES is able to fulfill its mission: to advance research and education for professionals dedicated to the prevention, treatment, and cure of epilepsy.

All products and services proposed for exhibition relate specifically to the practice and
advancement of the diagnosis, treatment and prevention of epilepsy, or the education of those
treating or conducting research related to epilepsy and their patients.
Located inside the Exhibit Hall, six Innovation Pavilions are available — to paid exhibitors only — at the 2017 Annual Meeting. Pavilions offer your company the opportunity to conduct meetings away from the hubbub of the show floor, hold small gatherings of targeted attendees with a speaker, or engage attendees with your brand in creative new ways. Plus, AES will promote Pavilions both before and during the meeting.

RULES AND REGULATIONS

All proposed Pavilion activities must be approved by show management at least 60 days in advance of the show. No hanging signs or structures over 8’ are allowed in the pavilions.

All Pavilion staff and attendees must be badged AES Annual Meeting attendees.

Any videotaping or photography in the Pavilion must be pre-approved by show management and must adhere to the AES Audio and Audiovisual Policies in the Exhibit Hall to be found in the exhibitor service manual (available at AESnet.org in mid-August).

Priority Pavilion selection is given to exhibitors reserving multiple days.

Pavilion title must be submitted by October 12, 2018 in order to be listed on conference signage.

The 100 word description for the eblast to all registered attendees must be submitted by October 15.

PAVILION ACCESS

Pavilion renters may access the Pavilion for set-up at 8:00 a.m. on the day of the rental; Saturday rentals may access Friday with show management approval. Pavilions must be clear by renter by 8:00 p.m. on Saturday, 6:00 p.m on Sunday and 5:00 p.m. on Monday. Any materials left in the Pavilion past your rental day will incur a $500 storage fee (labor fees may also apply).

Exhibitor is responsible for securing the space and will need to coordinate access for catering/outside vendor deliveries.
RESERVE EARLY—THERE ARE ONLY A LIMITED NUMBER

Sometimes the trade show floor gets a little busy for the deeper, one-on-one discussions with attendees interested in your products. Office rentals, available for extended hours beyond the exhibit floor hours, are available.

Position for AES 2019. MAX YOUR 2018 PRIORITY POINTS.

Booth selection for the 2019 AES Annual Meeting in Baltimore starts at AES 2018 in New Orleans. You will be invited to select your 2019 booth position in order of the 2018 priority points you have accumulated. The more points you earn, the better spot you get on the exhibit floor in Baltimore!

Here’s the system for earning points:

- **Participation Points:** 1 point for each year of exhibiting since 2002. Only these points carry over to next year. Exhibitors who do not exhibit two years in a row may lose all participation points.
- **2018 Booth Size Points:** 1 point per 100 square feet
- **2018 Housing Points:** 2 points for booking at least two hotel rooms for two nights each in the AES block prior to the group hotel reservations deadline
- **2018 Total Spend Points,** calculated as of the Wednesday before Thanksgiving:
  - **BENEFACCTOR:** $500,000 and over = 13 points
  - **LEADER:** $250,000 to $499,999 = 10 points
  - **PARTNER:** $100,000 to $249,000 = 7 points
  - **SUPPORTER:** $50,000 to $99,999 = 5 points
  - **CONTRIBUTOR:** $25,000 to $49,999 = 3 points
  - **ADVOCATE:** $10,000 to $24,999 = 2 points
  - **PATRON:** $5,000 to $9,999 = 1 point

GET AN EARLY CHANCE AT YOUR PREFERRED 2019 HOTEL!

Group hotel reservations for 2019 in Baltimore will be staged according to 2018 recognition levels. Benefactors, Leaders, Partners, and Supporters—in that order—will have first pick of rooms, followed by Contributors, Advocates, and Patrons (combined as one group) prior to the general opening for group hotel reservations.
Guidelines. SPONSORSHIPS AND ADVERTISING

Who qualifies as advertisers or sponsors? The following categories qualify to participate in the AES 2018 Annual Meeting as advertisers or sponsors, providing you meet all other requirements for participating in the AES Annual Meeting per AES Exhibitor Guidelines:

• 2018 commercial booth or nonprofit tabletop exhibitors
• 2018 scientific exhibitors
• Non-exhibiting companies with an epilepsy-related medicine or device in pre-commercial status, provided they don’t already have a commercial epilepsy product
• Medical education companies providing a satellite symposium that is sponsored by a company that qualifies to purchase advertising or sponsorship opportunities
• Companies going into Loss of Exclusivity status in 2018 that will reach the Contributor Level or above in the AES recognition system through expenditures on Epilepsy Currents advertising, medical education grants, and charitable support.

All advertising and sponsorship goes through AES. All companies and organizations participating in the AES 2018 Annual Meeting as exhibitors, sponsors, and advertisers of content targeted in any way at the professional epilepsy audience that appears during the 11/27/2018 to 12/06/2018 time period in the New Orleans market must purchase these products from AES. Advertising includes, but is not limited to, advertising on-site at the convention center and AES hotels and in-market advertising such as airport, billboards, signage in the central business district and on or near AES hotels, bus, taxi, clings, pop-ups, projection ads, mobile advertising, pedicabs, and other outdoor advertising.

Hotel advertising. AES does not allow advertising in conference hotels with the exception of advertising inventory offered by AES in the two headquarters hotels.

Complimentary registrant mailing list. All exhibitors will receive (via the exhibitor newsletter) a link to the meeting registrant list on or about November 2, 2018 and again on or about January 10, 2019. Each is for a one-time only use. Only postal mailing addresses will be provided. AES does not provide email addresses.

• Each commercial booth, medical affairs booth (if separate from commercial), tabletop exhibit, scientific exhibit, Innovation Pavilion, and satellite symposium is entitled to one use of the pre-meeting registrant list and the post-meeting registrant list. Your mailing must be related to the AES item—e.g. exhibit booth, scientific booth, Pavilion, etc.—for which you are given a complimentary use of the list.
• Mailings using the pre-registration list must be mailed no later than November 27, 2018. Mailings using the final registration list must be mailed no later than February 15, 2019.
• The mailing list is sent via the exhibitor newsletter or a separate e-blast to the contact of record that your company has provided. Please contact this person on your team to get your copy of the list.

AES approvals for ads and mailings. All advertisements and mailings using the AES registrant list must be approved by the American Epilepsy Society in advance. AES can review your messaging and/or art in its early stages of execution in addition to reviewing the final for approval. Send all approval requests to soliver@aesnet.org and allow two business days for review.

References to AES in ads and mailings. Advertisements and direct mail outreach may include reference to the AES Annual Meeting, but it must not imply that the ad or mailer is from AES. During the review process, AES reserves the right to change language relating to the use of the American Epilepsy Society and/or to reduce the point size of the reference.

• Neither the AES logo nor the AES 2018 Annual Meeting logo may be used in any advertisement or mailer
• No version of “American Epilepsy Society”, “AES”, and “Annual Meeting” may appear in any URLs your company uses to support your program or product.
• The following reference to AES is not required, but may be used in all advertising, including airport, outdoor, taxi, hotel, and various onsite advertising: AES2018 or AES 2018.
• On materials viewed or used onsite at the convention center—including but not limited to program book ads, meeting guide, door drops, media wall ads, and room signs for scientific exhibits and satellite symposia—advertisers may use: American Epilepsy Society 2018 Annual Meeting or AES 2018 Annual Meeting.

Messaging at the AES Annual Meeting. Please note these requirements for your corporate and branded product messaging based on where your advertisement will appear.

• Messaging on sponsored items and advertising inside the exhibit hall may include corporate messaging + logos and/or product messaging + logos.
• Messaging on sponsored items and advertising in the convention center but outside the exhibit hall may not include product messaging + logos, with the exception of ads appearing on the AES Media Wall, which may include product messaging+ logos.
• Any messaging in the convention center but outside the exhibit hall that includes a call to action or product logo (for example: Visit Booth 825) is subject to a 10% surcharge by the Morial Convention Center that AES is required to collect. Messaging in the convention center but outside the exhibit hall that does not include a call to action or product logo (for example: Supported by Company X) does not incur the convention center surcharge.
• Outdoors advertising and sponsorships (airport, taxi, shuttle buses, billboards, headquarters hotels, etc) may include a call to action and may include product messaging + logos as part of a larger corporate message. The product messaging + logo must appear smaller than the corporate messaging + logo.
Guidelines. SPONSORSHIPS AND ADVERTISING

Right of First Refusal System. Companies or organizations that purchase an exclusive or premium sponsorship or advertising item will have the right of first refusal (ROFR) for that item at the subsequent Annual Meeting if it is offered in the subsequent year by AES. Prices for exclusive and premium items are subject to change each year.

In Conjunction With (ICW) Meetings. Space reservations for “In Conjunction With” (ICW) meetings will open in late August 2018. Watch your exhibitor newsletter for the exact date. ICWs are any meetings that take place between Tuesday, November 27, 2018 and Wednesday, December 5, 2018 in the New Orleans area of 20 or more people that include AES registrants. All such meetings or events, whether on-site at the AES meeting or off-site at a non-AES venue, are ICWs and must be approved by AES. Exhibitor team meetings with attendance limited to that company’s staff and representatives may be held at any time.

• ICWs typically fall into one of these categories: Alumni Reunions/Receptions; Advisory Board Meetings; Committee Meetings; Board Meetings; Focus Groups; Press Conferences; Task Forces; and Social Events. ICW meetings may not provide either informal or accredited medical education.

• Attendance at an ICW event may not exceed 100 AES Annual Meeting registrants, including your organization’s representatives/employees/staff.

• ICWs must be by invitation only to a select group of people. They may not be open to all AES Annual Meeting attendees.

• AES provides limited times over the course of the AES Annual Meeting that ICWs are allowed.

• Companies and organizations holding an ICW meeting are responsible for conforming to all rules relating to the times that ICWs are allowed and the requirements for promotional materials and signage, which will be posted on the AES website in early summer 2018.

• AES reserves the right to limit the number of ICW meetings and to not approve an ICW request.

Securing ads or sponsorships. Insertion orders plus specifications for Passport to Prizes, Program Book Advertising, Media Wall Advertising, Saturday Shared Sleeping Room Door Drop, Water Coolers, Shuttle Advertising, Equipment Auction, and Random Acts of Kindness are available on the AES website. For other ads and sponsorships, contact soliver@aesnet.org or call 312-883-3800, x 102. Note that quantities are limited on many items.

Other opportunities. Commercial and non-profit supporters may propose additional advertising or sponsorship ideas that fit their 2018 outreach program. AES will review these ideas and if approved, provide prices for them.

Deadlines. Please note the following deadlines:

• September 14, 2018: Signed agreements and insertion orders due for items to be included in print Program Book.

• September 28, 2018: Deadline for submission of final, AES-approved art for the print Program Book.

• October 31, 2018: Signed agreements and insertion orders due for items to be included in on-site disclosure signage.

• After October 31, 2018: AES will make every effort to accommodate requests for sponsorships or advertisements if inventory is available. Prices for sponsorships and ads may increase after October 31st at the discretion of AES to cover cost increases incurred by late commitments.

Scientific Exhibits share information about the current state of your company’s research. Separate from commercial exhibits, Scientific Exhibits are staffed exclusively by scientists and investigators.

**GENERAL GUIDELINES**
Scientific Exhibits differ from traditional poster presentations in that a far broader range of material can be presented as a collection of topics (results of various clinical trials), or a thematic presentation of one aspect of drug development (e.g., all preclinical material). Presentation of a range of data will enhance viewer understanding of the evolution of drug and device development.

No references may be made to the Scientific Exhibit in the exhibit hall.

Exhibits must be scientific and/or educational and conservative in appearance (i.e., informational, not promotional). No promotion can be conducted in the Scientific Exhibit area and no commercial representative of the company can be present during display times. Language used in the exhibit should not suggest that compounds are proven safe and effective for any indications that are still investigational.

**GENERATING AN AUDIENCE FOR YOUR EXHIBIT**
Scientific Exhibitors are responsible for generating their own audience for their exhibit. AES will include the block of times and the location of Scientific Exhibits in its at-a-glance print and digital materials. AES will include exhibit titles, companies, and specific times/locations in the print program book and the mobile app.

A complimentary one-time use of the pre-meeting registrant list as of approximately October 31st and the post-meeting registrant list with postal addresses only (no email addresses) will be provided to scientific exhibitors for AES-approved outreach about their exhibit. Scientific exhibitors must comply with all AES guidelines regarding on-site signage or other promotion of their scientific exhibit.

Additional resources for building your scientific exhibit audience can be found on pages 9-13 of this prospectus. Scientific exhibitors qualify to purchase advertising and sponsorships at the AES Annual Meeting.
